Agenda Notes:

Please note we reserve the right to change this Agenda depending on feedback received before and during the training session. We may substitute, add, modify or remove sessions depending on the time available and/or attendee preferences.

Live Demos:

Our training heavily features Live Demos, so we ask you to make allowances for the additional setup and configuration that these demos will take to perform.

Bring Your Own Laptop:

Depending on timing we may integrate some Exercises for you to perform. There will be no pressure on you to take part in these exercises, nor will you be marked on your performance in these exercises. However if you wish to take part in them then we ask that you bring your own laptop which you can use to access our servers.

Registration:

Please ensure you arrive in sufficient time to register on the first day, if you will not be able to arrive in time for the registration then please inform us in advance. Also note that anyone who has not paid for the training in advance will not be permitted to attend the training. If you have not received your invoice or have problems with payment, please inform us immediately.
